## PROFESSIONAL EXPERIENCE

### Manager - Human Capital & Administration

May 2025 - Present

#### Merai NewAge Pvt. Ltd. / Meril Group — Chennai, Tamil Nadu

- **End-to-End Talent Acquisition Ownership:** Manage the complete recruitment lifecycle for the Humanoid Robotics, Surgical Robotics and Nuvo AI R&D divisions across five business units — sourcing, screening, evaluation, interview coordination, offer negotiation, onboarding and induction. Develop and maintain talent pipelines for current and future hiring needs.
- **Talent Intelligence, Workforce Planning & Sourcing:** Lead market research and competitor talent mapping for niche R&D, Product and Manufacturing roles, partnering with leadership to forecast hiring needs and build data-driven recruitment strategies for critical skill areas. Identify and attract top engineering talent through job portals, social networks, professional groups, Boolean and X-Ray search, and referrals. Track market trends in Automotive and Robotics Engineering to shape hiring strategy.
- **Specialized Pipeline Development:** Build and manage pipelines across Mechanical, Electrical, Hardware, Software, Motion Control, Embedded Systems, AI/ML, Computer Vision, IoT, Industrial Automation and advanced robotics functions.
- **Stakeholder & Hiring Manager Collaboration:** Partner with Hiring Managers to define technical requirements, project needs and candidate expectations. Provide regular updates, market insights and recommendations on hiring progress.
- **Candidate Assessment:** Conduct HR screening covering cultural fit, technical relevance, communication, notice period and compensation. Coordinate technical evaluations with internal SMEs.
- **Measurable Hiring Impact:** Reduced time-to-fill by 21-30 days and raised offer-acceptance rate to 85% through direct sourcing and AI-assisted sourcing (ChatGPT, Copilot, Claude) combined with advanced Boolean/X-Ray techniques. Hired 200+ resources, including 50+ directly sourced IIT, NIT and PhD senior professionals from IIT Madras, IIT Bombay, IIT Kanpur, IIT Patna, IISc Bengaluru and Tier 1/2 institutions — materially reducing dependency on recruitment consultants and external vendors.
- **Critical Role Closures:** Closed critical & hard-to-fill roles including Motion Control Architect, AI/ML Engineer, Gen AI Architect, Python Lead, AWS, GCP, Azure Cloud Engineer / Architect, Embedded C++ Architect, Product Manager, Product Designer, Project Manager, AI/ML Lead, Computer Vision, IoT, Data Engineer, Simulation Engineer, FPGA Lead, RTL, Firmware, Embedded Software/Hardware, Lead PCB Designer, Industrial Designer, Instrumentation, EMI/EMC Solution Lead / Architect, Senior CAD Designer (CATIA, UG/NX, Creo, SolidWorks, Plastics, Sheet Metal, Interiors/Exteriors, BIW), Mechanical Engineer / Lead (Structural, Crash, NVH, Durability, CFD, Tools: ANSA, Hyper Mesh, LS-Dyna, Abaqus, Nastran), Robotics Engineer, V&V (Verification & Validation), QA, Regulatory Affairs, Clinical Specialist, Supply Chain Manager and Electro-Mechanical Assembly (Routing, Packaging, Schematic Design).
- **Reporting, Compliance & Systems:** Operate Zoho Recruit (ATS) for candidate tracking, sourcing workflows and recruitment data. Follow hiring matrices and maintain accurate recruitment dashboards, tracking sheets and candidate databases. Ensure adherence to internal hiring processes, documentation and compliance standards.
- **Employer Branding:** Represent the organization as brand ambassador at career fairs and IIT Madras Research Park startup events, strengthening employer brand and talent attraction.

- **Training & Capability Building:** Design onboarding, mentorship and interviewer-training programs; own the complete offer-to-onboarding journey including documentation, induction, orientation and new-hire engagement. Conduct IP, soft-skills and technical training aligned with ISO 13485, ISO 14971, IEC 62304, IEC 62305 and IEC 60601 standards.

#### Senior Talent Acquisition Consultant

Apr 2022 – May 2025

**GlobalLogic, A Hitachi Group Company** — Bengaluru, Karnataka

- **Volume & Cost Impact:** Delivered **500+ strategic Japanese bilingual and non-bilingual hires** over three years without external recruitment vendors, strengthening internal sourcing capability and generating significant recruitment cost efficiencies.
- **Strategic Workforce Partnership:** Partnered with business leaders to define workforce requirements and develop strategic hiring plans across India, Japan, Australia and Ukraine.
- **Market Mapping & Direct Sourcing:** Led market mapping and direct sourcing for critical, niche and leadership positions across Automotive, Digital Transformation and technology engineering functions, reducing agency dependency.
- **Technology Pipelines:** Built specialised pipelines for Full-Stack, Java, C#, .Net, Embedded Systems, DevOps, Cloud, AI/ML, Python, Generative AI, Cyber Security and Data Engineering.
- **Leadership Hiring:** Closed senior positions including CTO, AVP, Director, Principal Engineer, GenAI Architect, Cloud Architect, Solution Architect, Technical Architect, Product Owner, Business Analyst, Project Manager and Program Manager.
- **Rapid Team Build:** Built a **35-member Adobe Experience Manager (AEM) team within one quarter**, supporting critical business delivery requirements.
- **Full-Cycle Delivery:** Managed talent identification, sourcing, screening, stakeholder coordination, interview management, offer negotiation and onboarding, with continuous reporting on talent availability, hiring priorities and pipeline progress.

#### Talent Acquisition Partner

Mar 2021 – Apr 2022

**Quess Corp Limited** — Bengaluru, Karnataka

- **Global Stakeholder Management:** Collaborated with India and USA stakeholders to develop staffing plans and end-to-end recruitment strategies across multiple business units.
- **Enterprise Client Delivery:** Managed the full recruitment lifecycle for **FIS Global** via Workday (Fintech and Capital Markets hiring) and for **Optum / UnitedHealth Group** via Taleo across Optum Health, Optum Rx and Optum Insight.
- **Technology Coverage:** Supported large-scale hiring across Java, Microsoft Technologies, Android/iOS, Angular, React, Cloud, DevOps, UI/UX, Tableau, QA, Database Administration and Data Engineering, consistently meeting time-to-fill and cost-per-hire expectations.

#### Recruitment Analyst – Staffing

Mar 2019 – Sep 2020

**Trigent Software Limited** — Bengaluru, Karnataka

- Managed contract staffing, bulk hiring and talent sourcing for enterprise accounts including **Accenture, Sonim Technology and Microsoft**.
- Supported high-volume recruitment through candidate sourcing, screening, stakeholder coordination and pipeline management.
- Recognised with **two Sparkler Awards and one Bravo Award** for outstanding performance.

#### Lead IT Recruiter – Staffing

Oct 2016 – Mar 2019

**2Coms Consulting Pvt. Ltd.** — Bhubaneswar, Odisha

- Led full-cycle contract staffing for IT and Non-IT positions and managed client coordination for **Accenture, Swiggy and Concentrix**.
- Recognised with the **Performance Excellence Award, Best Recruiter – Highest Revenue Achiever** and **Highest Target vs. Revenue Achiever** awards.
- Achieved **Performer of the Month for 18 consecutive months**.

### EDUCATION

#### MBA – Human Resource Management

Jaipur National University  
2021

#### Bachelor of Arts

North Odisha University  
2016

### CERTIFICATIONS

- Certified Recruitment Professional — 2Coms Consulting Pvt. Ltd.
